Ribbon Cutting Ceremony celebrating the opening of Hot Table and Starbucks

Westfield – Please join Mayor McCabe Tomorrow, Thursday October 20th at 9:30 AM for a Ribbon Cutting Ceremony to honor the opening of both Hot Table and Starbucks at 9 Southampton Road.

The Hot Table team opened their original restaurant in Springfield in 2007 and have grown to ten locations in Massachusetts and Connecticut. Hot Table specializes in grilled panini sandwiches that are made-to-order for each customer (the Chicken Pesto panini is one of their best sellers! It's delish!). They also offer made-to-order salads, and delicious soups. Hot Table is also committed to being good neighbors in each community that they operate in. They support local charities and organizations, especially those that serve individuals with food insecurity.

This location will employ about 25 people. Hours of operation will be Mon – Sat 10:30 AM – 9 PM. All Hot Table locations are closed on Sundays. Visit hottable.com for more information.
