Mayor Michael McCabe

November 2, 2022
For Immediate Release

Paving on Granville Road

Westfield –Granville Road will be paved on Thursday, November 3, and Friday November 4, between the hours of 7:00 AM and 4:00 PM. On both days, the road will allow for only one lane of traffic, and it is suggested that drivers seek alternative routes, if possible.

On Thursday, November 3, paving will begin at the intersection of Granville Road and Western Ave and travel westbound to the intersection of Granville Road and Loomis Street.

On Friday, November 4, the paving will begin at the intersection of Granville Ave and Loomis Street and travel eastbound to the intersection of Granville Ave.

Please note that the paving may temporarily limit driveway access as the asphalt cures.
