*For Immediate Release*

*Westfield* - Westfield-Barnes Regional Airport and Westfield Police Department will be hosting a drone operator workshop at the Westfield Senior Center located on 45 Noble Street, Westfield, MA on Saturday, December 17, 2022 at 1:00PM. The purpose of the workshop is to educate the general public and drone operators on how to safely fly a drone and follow FAA regulations when flying in a drone within five (5) miles of an airport. Westfield-Barnes Regional Airport Manager Chris Willenborg and Westfield Police Department Detective Todd Edwards will be presenting at the workshop. In addition, there will be displays of drones owned/operated by Westfield Police Department, MassDOT Aeronautics Division and Airport Solutions Group.
