Grand Opening Celebration for Pioneer Valley Fiberglass Pools & Spas

Westfield- Pioneer Valley Fiberglass Pools & Spas will celebrate their grand opening at their locations at 1090 Southampton Road with a ribbon cutting ceremony on Thursday, June 1st, at 11:00 AM.

Pioneer Valley Fiberglass Pools & Spas has been serving all of Southern New England since 2002 and has installed over 1,000 pools over the course of these 20+ years. The new 2600 square foot showroom and giant display area at 1090 Southampton Road in Westfield, MA boasts six inground fiberglass pools, each surrounded by a unique and luxurious stone or wood patio.

The company employs truck drivers, laborers and professional equipment operators who can expertly prepare all the site work, grading and plumbing necessary for a masterful swimming pool installation. The Pioneer Valley Fiberglass Pools & Spas team handles the entire installation from start to finish.

Pioneer Valley Fiberglass Pools and Spas have been proud to support many local charitable organizations through the years including The Boy Scouts, Prospect House, and The Northeast Veteran Training & Rehabilitation Center; and have been awarded accolades that include The Republican's Reader Raves "Best Pool Company," and multiple "Pool of the Month" design awards from Leisure Pools.

The Grand Opening celebration begins on June 1st at 11:00 AM with a ribbon cutting ceremony. All are welcome to explore the showroom and outdoor display. Refreshments will be served.
