Westfield, MA 01085
413-572-6201
Mayor Michael McCabe

July 21, 2023
For Immediate Release

Paving on Montgomery Street and Pochassic Road

Westfield – Montgomery Street will begin being paved on Monday, July 24, and Tuesday July 25, between the hours of 7:00 AM and 4:00 PM.

Pochassic Road will begin being paved on Tuesday, July 25 through Friday, July 28, between the hours of 7:00 AM and 4:00 PM.

The following week, beginning July 31, structure work and surface course will be installed on the two roads.

The roads will allow for only one lane of traffic, and it is suggested that drivers seek alternative routes, if possible.

Please note that the paving may temporarily limit driveway access as the asphalt cures.

Thank you for your patience as we improve our city's roads.
