SNOW EMERGENCY PLOWING PLAN FOR OFF-STREET MUNICIPAL PARKING LOTS

PLOWING OF THE CORE MUNICIPAL PARKING LOTS ARE NOT DONE DURING THE BUSINESS DAY HOURS. THE CORE LOTS ARE PLOWED AFTER A SNOW STORM ENDS AND AFTER THE SNOW EMERGENCY PARKING LOTS ARE PLOWED.

- CALL THE SNOW EMERGENCY PHONE NO (642-9411.) THIS PHONE NUMBER IS ALSO LOCATED ON RED LETTER SNOW EMERGENCY SIGNS IN THE PARKING LOTS.
- SNOW EMERGENCIES ARE CALLED **AFTER A SNOW STORM ENDS OR JUST AS IT IS ENDING.**
- THE PHONE RECORDING WILL REPORT WHEN VEHICLES CAN MOVE TO THE EMERGENCY SNOW LOTS. **MOTORISTS CANNOT MOVE THEIR VEHICLES TO THE EMERGENCY SNOW LOTS UNTIL THE PHONE RECORDING PERMITS.**
- EMERGENCY SNOW LOTS ARE THE FOLLOWING:
 - ELM STREET PLAZA LOT (ACCESSED FROM CHURCH STREET)
 - MAIN STREET/RESTAURANT LOT
 - RIVERWALK LOT (ACCESSED FROM MEADOW STREET)
 - RAILROAD AVENUE LOT (ACCESSED FROM RAILROAD AVE)
- MOTORISTS **MAY RETURN TO THEIR REGULAR PARKING LOT** ONCE THEIR LOT IS COMPLETELY PLOWED.

Note:

The snow vendor will make plow passes during a snow storm to keep the drive-thru areas of the municipal parking lots open during snow storms.

When a storm ends the snow vendor will FIRST plow the snow emergency lots to provide parking for the motorists in the CORE parking lots.

The snow vendor will start plowing the CORE parking lots after plowing the snow emergency lots.
