

WESTFIELD HISTORIC COMMISSION

ANNUAL PRESERVATION AWARD

“Our Past Into the Future”

The City of Westfield enjoys a cultural heritage rich in historic resources. The preservation of these resources can revitalize neighborhoods, add to the revenues of the city and preserve the community character. Work done to protect our historic assets has maintained the sense of time and place that forms the essence of our city. To establish the ongoing recognition of the accomplishments of individuals, as well as businesses or families who have contributed to the preservation of Westfield’s historic integrity, the Westfield Historic Commission hereby establishes the Annual Westfield Preservation Award, “Our Past into the Future”. The award is meant to formally commend those who work to maintain the historic properties or landscape in the community.

Nominations are accepted for projects completed in the past four years.

Categories to consider for award include:

- Rehabilitation & Restoration
- Individual Lifetime Achievement
- Landscape Preservation
- Archaeology
- Adaptive Reuse
- Education & Outreach
- Local Preservation

Deadline for Submission Packages:

Nominations must be received no later than October 31st of the calendar year.

Please mail nominations to:
